

St Mark's CE Primary School

'Loving to Learn, Learning to Love'

Nursery Newsletter

Spring Term 2

This half term our learning challenge question will be "Who can help me?"

During this topic, the children will be learning about how the police, fire brigade, dentist and our special mummy's can help us.

In R.E. the children will be learning about the Easter story and why it is a special story for Christians.

Literacy

In Phonics, the children will be starting to learn the letters of the alphabet and their sounds.

The children are continuing to listen to the sounds in words and are learning to push the sounds together to make words.

The children are beginning to practise writing their names. Please help your child write their name! If they can already write their first name then start to practise writing their surname

Maths

In maths, the children are beginning to match quantities and recognise quantities without counting. This is called subitising.

Reading

All children now have a reading book. Please read with your child at home and encourage them to talk in sentences about their story.

We shall continue with our library sessions every Friday.

Please read every night with your child at home and sign their diary.

Spare Clothes

Please make sure that your child has plenty of spare clothes in their bag.

If you have any nursery clothes at home please return them this week.

Unfortunately, we do not have many spare pants or socks left.

Reminders:

Please make sure that your child's name is in all of their clothes. We have lots of jumpers left at nursery with no names written on the label. If your child is missing their jumper or cardigan please check if it's at nursery.

If somebody else is collecting your child from nursery please let the nursery staff know in the morning.
