

St Mark's CE Primary School

'Loving to Learn, Learning to Love'

Nursery Newsletter

Autumn 1

Welcome to St Mark's Nursery and our first autumn newsletter. The children have now settled really well into their new classroom and routines and are all beginning to make new friends.

Each half term, we will look at new topics and will set a question to help direct the children's focus and learning.

The question for this half term is "What is your favourite nursery rhyme?" Each week the children will be taught a new nursery rhyme and they will be encouraged to sing the rhymes and talk about their favourite

Literacy

Our main focus in Literacy will be our nursery rhymes. Each week we will be singing the rhymes and learning the words and the meaning behind the rhymes.

The children will be learning these rhymes:

- Twinkle Twinkle Little Star
- Humpty Dumpty
- Baa Baa Black Sheep
- Incy Wincy Spider

You can really help your child to learn these songs and rhymes by singing them together at home.

Maths

In maths, we will begin to

- Recognise and name the colours red, blue, yellow, green and purple.
- Match objects by shape, size and colour
- Sort objects by colour. We will learn to sort groups of objects that are the same size.

Reading

From Friday 27th September we will be starting our weekly library session.

During these sessions, the children will have the opportunity to choose a library book to take home.

It is really important that parents read these stories to the children at home and sign the children's reading diaries.

Spare Clothes

Please make sure that your child has plenty of spare clothes in their bag.

Please check class Dojo for daily and weekly updates

Reminders:

- Our Nursery telephone number is **01782 237125**
- If your child has been sick or has diarrhoea then they must be absent from school for 48 hours (from the last time they were unwell)
- Please ensure you collect your child on time.
- Please ensure that we have the correct telephone number for you.
