MESSAGE FROM MRS SADLER

Dear Parents,

We have really enjoyed celebrating our wonderful children this week, and we hope you have enjoyed joining us for these occasions.

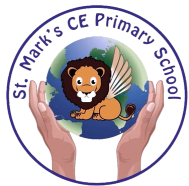

Our Reception children were little stars on the stage on Tuesday, as they shared their end of year assembly with their families. Today, it was the turn of our fantastic Year 6 children, who entertained us with their end of year show, and enjoyed brunch with their relatives, teachers and teaching assistants. They all did so well! It has also been lovely to celebrate the achievements of all of our award-winners throughout the week, and we are very proud of how much progress the children have made, in many different ways this year.

A special well done goes to our Year 6 children who finally received their SATs results yesterday. They should all be so pleased with their results, because we know they did their very best and we certainly couldn't have asked for more of them. They are now ready for the next stage of their journey, and whilst we are very sad to be saying goodbye to such a fantastic group of children, we know they are well-prepared for the challenges ahead. We wish them all the very best, and hope that they keep in touch with us and let us know how they are doing. We have absolutely loved being part of their stories.

Finally, we would like to wish Mrs Sandra Shaw all the very best for her retirement. Mrs Shaw is leaving us after a number of years at St Mark's, working with children in Nursery and Reception. She has cared for the children dearly, and has been a kind and supportive colleague. She will be very much missed and we wish her a long and happy retirement.

Thank you all for your support throughout this academic year. It has been a pleasure to work with you all and to share so many special community events together. I can't wait for more next year! In the meantime, we hope you all have a very happy and safe summer break, and we will see you all again, fresh and ready for the new school year, on Wednesday 2nd September!

Mrs Sadler
